

LICENSED TIMBER OPERATOR TRAINING CLASS SCHEDULE

FALL 2001 AND SPRING 2002

A Timber Operator License is required for any individual wishing to conduct commercial timber operations on State or private timberlands in California. Timber operations are defined in Public Resources Code (PRC) 4527. This includes, but is not limited to saw logs, Christmas trees, fuel wood, or split wood products. PRC 4571 details the necessity for a license.

You must register for the class through the above listed community colleges. **The class registration fee is \$31 per person.** The college needs to know the class dates you are registering for. **Class size is limited to 35 students**, so register early. Sierra College accepts credit cards.

The college will send you a receipt, copy of their refund policy in case of class cancellation, map, and a list of local accommodations.

The class lasts for two-eight hour days. Attendance at both class sessions is mandatory. Refreshments are not served. The class materials distributed will be 3-hole punched so you may wish to bring a binder in addition to pen, pencils, and note paper.

Class dates may change. If they do, you will be notified of the new dates and you will remain registered for the class unless you call the college and cancel your registration.
